

NATIONAL BIOSAFETY AUTHORITY

Championing for a Biosafe Nation

29th May 2018

OUR ESTEEMED STAKEHOLDERS AND CLIENTS,

NOTIFICATION OF THE CHIEF EXECUTIVE OFFICER APPOINTMENT

The National Biosafety Authority (NBA) is a state corporation and the National Competent Authority on all matters involving Genetically Modified Organisms (GMOs) in Kenya. We are glad that we have been able to work together for the last eight years and have made great strides in the field of Biosafety and Biotechnology.

We, therefore, wish to notify you that **Prof. Dorington Ogoi** who has been acting CEO has been appointment as the substantive CEO with effect from today. This followed a rigorous and competitive process that started late last year culminating in his appointment.

The Board of Directors assures you that the Authority is up and running and continues to discharge normal duties in accordance with the Biosafety Act, No. 2, 2009. We thank you for the continued support in this course.

Kind regards,

**MR. ABDALLA H. MWARUWA
FOR: CHAIRMAN, BOARD OF MANAGEMENT**
