### **POSTPONEMENT OF THE 11TH ANNUAL BIOSAFETY CONFERENCE TO: 21-24TH FEBRUARY 2023 AT SAWELA LODGES, NAIVASHA**

The National Biosafety Authority regrets to inform you of the decision to postpone the 11<sup>th</sup> Annual Biosafety Conference from 29<sup>th</sup> November – 2<sup>nd</sup> December 2022 to **21<sup>st</sup> – 24<sup>th</sup> February 2023**.

This decision has been occasioned by, among other factors, the reorganization of the Kenya Government through Executive Order No. 1 of 2022, that moved the NBA from the Ministry of Education to the Ministry of Agriculture and Livestock Development. Your registration to participate in and pledge to support the Conference is greatly appreciated and shall be effective with the new dates.

To ensure the continuity of the Conference preparations, the Conference Committee encourages participants to register and submit abstracts. You may reach us at [\*\*info@biosafetykenya.go.ke\*\*](mailto:info@biosafetykenya.go.ke) or [\*\*conference@biosafetykenya.go.ke\*\*](mailto:conference@biosafetykenya.go.ke). You may also call **0713854132** for more details.

We regret any inconvenience the postponement may have caused to participants and partners.

On behalf of the NBA and the Conference Planning Committee, we thank you for your cooperation and understanding as we look forward to welcoming you to the 11<sup>th</sup> Annual Biosafety Conference to be held at Sawela Logdes in Naivasha.
